### **Conferences & General Information**

\* Please remember that submissions for EERA 2015 in Budapest **closes on the 1<sup>st</sup> February 2015**. We delighted if you could join us for this exciting conference. Symposia, individual papers, Posters and Roundtables are welcome. We will also be linking our Network with other Networks with a view to developing European H2020 bids from this initial contact. EERA 2015 will continue to build on the H2020 workshops done in Porto 2014. We have some exciting sessions planned for all of you. Please see details of Conference and Conference Theme [Please relate your abstract submission to this theme]: <http://www.eera-ecer.de/ecer-2015-budapest/>

\* More than 5,000 teachers, researchers and physical activity professionals are expected to attend the 130th anniversary of the *SHAPE America* National Convention & Expo, **March 17- 21, 2015** in Seattle, WA (USA). The nation's premier gathering of health and physical educators will be held in partnership with the Northwest District of *SHAPE America* and *SHAPE Washington*. For more information about *SHAPE America's* National Convention & Expo, visit the website at <http://www.shapeamerica.org/events/convention2015/> and follow #SHAPESeattle on Twitter.

\* The 8th World Congress on Science and Football will take **place 20-23 May 2015** in Copenhagen, DEN. Abstract submission is open until 1 February 2015 (final call). Contributions from all areas of sports science and sports medicine are welcomed, including: Physiology, biomechanics & sports medicine and Social sciences & humanities. More information about the congress, abstract topics, confirmed speakers, etc. can be found on the congress website:

<http://wcsrf2015.ku.dk/>.

\* "Beyond all limits: Building a harmonious world" is the selected title of the *4th International Conference on Science Culture and Sport*. In our 4th conference, we once again welcome submissions that engage with all fields of scientific research, especially those concentrated on culture and sport studies, as well social peace and understanding. Our conference offers to be more than a theoretical discussion stage on which practitioners can also show up. Therefore as in our previous editions, we also offer the participants to enjoy themselves in our International Culture and Sport Festival, and daily cultural tour. The conference will take place on the **23rd and 24th May, 2015**, in Ohrid (following with the daily - the 25th May- cultural tour to the most attractive natural beauties and historical values of Macedonia, dependent on choice), and will be supported by Balkan University from Macedonia, Bartin and Gazi Universities from Turkey, and institutions such as the leading world sport for all organization, TAFISA; Turkish Cooperation and Development Agency (TIKA), etc. All the articles presented in the conference will be published in *International Journal of Science Culture and Sport (IntJSCS)*, which is covered by many international indexes and assigns DOI number to each separate article. For more information, please go to [www.iscs-conference.org](http://www.iscs-conference.org)

\* The ICCE Research Fair will be held on the **21st and 22nd of August 2015** prior to the 10th Global Coach Conference in Vierumäki, FIN. The Research Fair is a forum where researchers, coaches, coach developers and performance directors meet to share their knowledge and to exchange ideas. Information on the Research Fair can be found here: <http://www.icce-2015.com/icce-research-fair-2015.html>. The price for the Research Fair is 40€. Participation to the Research Fair can be booked online via the conference registration. Online registration will open on the 1st of February 2015. For more information on the conference please visit the conference homepage: <http://www.icce-2015.com/>.

\* On behalf of the Child Development & Exercise Center of the Wilhelmina Children`s Hospital (University Medical Center Utrecht), it is our pleasure to invite you to join us for the 29th edition of the international meeting '*Pediatric Work Physiology (PWP): From Clinics to Classroom*' in Utrecht, NED. The congress will take place from **9th-13th of September 2015** near the beautiful city centre of Utrecht. Please take a look at our PWP2015 website (<http://www.pwp2015.org/>) for all information regarding the PWP2015 meeting, such as program, theme`s, key note speakers, instructions regarding abstract submission and online registration. Registration and abstract submission is available online via the PWP2015 website. We are accepting abstracts for a variety of presentations at the PWP 2015 meeting. The theme of the 2015 edition is: 'Child Health: from clinics to classroom', with several sub theme`s such as 'Clinical Populations', 'Youth Sports', 'Nutrition & Exercise', 'Physical Activity', 'Non-invasive Monitoring' and 'Public Health'. If your work includes original research in the field of pediatric exercise science that should be shared with this international audience, we encourage your submission. Follow the latest updates of the PWP2015 meeting on twitter via @PWP2015.

\* The International Sport for Life Society (<http://is4ls.org/>) will hold its International Physical Literacy Conference being held next **June** in beautiful Vancouver, BC, CAN. <http://is4ls.org/iplc2015>.
